Why are you interested in this Pipefitting program? (50 words or less): _____

What other trades are you interested in? _____

Parameters of the Program:

A. Benefits:

1. Job interview and potential for employment.
2. Potentially, dual credit with Community College.
3. Potentially, credit toward an apprenticeship.
4. Cost-free hands-on career training in a valuable field of work.
5. Participants who successfully complete the program and are employed by one of the sponsoring companies will receive:
 - a. A \$200 tool allowance.
 - b. Credit toward an apprenticeship for the portions completed.

B. Requirements:

1. Attendance is required; participants with two or more unexcused absences may be dismissed from the program.
2. Participants are responsible for their own transportation to and from class.
3. To gain the benefits listed, participants must complete the program.

C. Safety:

1. All participants are required to work safely and protect themselves, others in the program, tools, equipment, and company property.
2. Participants who fail to work safely may be dismissed from the program.
3. Participants must have steel-toed safety shoes. The sponsoring companies will provide other personal protective equipment.
4. Attire: safety shoes, long pants, long sleeves.
5. The Instructor will emphasize safe working practices at all times. The sponsoring companies are not responsible for any injuries or damage to a participant's personal property.

D. Tools and equipment:

1. Student must provide steel-toed shoes, tape measure, Tri-square, 2' framing square, ball peen hammer.
2. Sponsoring companies will provide other safety equipment, power, and hand tools.

E. Cost:

1. This is an unpaid apprenticeship program.
2. There is no fee for the program; however, participants who do not complete the program are subject to a \$200 charge to partially reimburse the sponsoring companies for expenses.

Schedule:

Program begins on November 12th and runs to on or about May 21st (dates subject to change).

Tuesday and Thursday evenings 4:30 to 7:30 pm

Class location:

Allfirst, LLC; 1990 Northgate Commerce Parkway; Suffolk, VA 23435

Commitment:

I am interested in learning and developing Pipefitting skills and commit to the standards of the program as described herein.
